

community solar with
nexamp

Save Money with Community Solar. No Rooftop Panels Required.

① You subscribe to a local Nexamp shared solar farm

② The solar farm feeds clean, solar energy to your utility grid

③ You receive credits on your utility bill and save on your annual electricity cost

Approximately 100 shares of Nexamp's solar farm on Kent Island are available for low and moderate income Delmarva Power customers.

Attend an Upcoming Nexamp Information Session

Saturday, April 6th at 3:00 PM

Tuesday, April 9th at 6:00 PM

Wicomico Public Library - Downtown Branch (Rm 1)
122 S Division St, Salisbury MD

Please bring a recent Delmarva Power bill so you can enroll at the meeting!
