PLASTIC FREE JULY

PLASTIC DOES NOT GO AWAY!

WHEN SWITCHING TO REUSABLE PRODUCTS

- Reuse what you own -- don't buy what you already have!
- Upcycle items to give them a new purpose!
- Get thrifty! The best product for the planet is one that's already made.

UPCYCLING IDEAS

AT HOME	GROCERY STORE	OUTSIDE
use empty cans or jars for herb and seedling pots	use jars to store homemade dressings, dry foods, & in the bulk grocery aisle	repaint or stain furniture for a new look

REDUCE. REUSE. REFILL.

The image displays a flyer for the 20th annual 'mulch madness' event, organized by the Department of the Environment. The flyer is dated Saturday, April 27, from 8 am to 1 pm. It features a man in a blue shirt and cap using a shovel to pile mulch. The event is held at the Prince George's County Organics Composting Facility, located at 6550 S.E. Croft Highway, Upper Marlboro, MD. The mulch is primarily derived from Christmas tree collections. A small image shows a yellow excavator loading mulch into a pickup truck. The flyer also includes a 'Source Reduction Tip' about using mulch to suppress weed growth and provide nutrients, and a 'Restrictions' section stating that only Prince George's County residents are allowed, and only non-commercial vehicles under 3/4 ton maximum weight are permitted. A Facebook post from 'The Town of Riverdale Park' dated April 23, 2019, promotes the event, stating 'There's mulch to be learned at this event! Please view the flyer below for details!' and shows 8 likes and 3 shares.

DEPARTMENT OF THE ENVIRONMENT

This mulch is primarily derived from the Christmas tree collections.
For more information, please call County Clerk 3-1-1.

A dill loader will be available to load mulch into pickup trucks.

SATURDAY APRIL 27
8 am to 1 pm

Prince George's County Organics Composting Facility
6550 S.E. Croft Highway,
Upper Marlboro, MD
(From Croft Highway, proceed on Middle River
Boulevard to Facility)

Learn to reduce water usage, prevent soil erosion and reduce the use of herbicides in your home gardens by applying mulch.

Citizens and residents transporting mulch by car should bring their own containers and shovels or pitchforks.

RESTRICTIONS:

- Prince George's County residents only
- Only non-commercial vehicles, 3/4 ton maximum weight
- No business vehicle signage will be permitted, all commercial signs should be covered or removed prior to entering the site

SOURCE REDUCTION TIP:
Use mulch to suppress weed growth and provide nutrients.
Grass cycle: Use a mulching mower to finely shred your mowed grass and leave it on the lawn.
Start a backyard compost pile.

PEPCO IS GIVING AWAY

More than 1000 FREE trees

Through the Arbor Day Foundation's Energy-Saving Trees program.

Starting on Arbor Day, Pepco customers can reserve one free tree per household by visiting arborday.org/pepco. Customers will be able to choose one-gallon trees in various selections, including River Birch, Eastern Redbud, Cape Myrtle and Red Maple. Trees will be provided on a 1st come 1st served basis!

Customers unable to reserve a free tree through the internet are encouraged to call 855-670-2771 to secure a tree.

Trees provide benefits to a community by improving air and water quality, reducing stormwater runoff and adding to the visual appeal of a neighborhood. Since 2012, Pepco has provided more than 18,650 trees for customers to plant, providing the opportunity for saving nearly 20.9 million kilowatt hours of energy and removing close to 598,000 lbs. of air pollutants from the atmosphere, according to the Arbor Day Foundation. The benefits from these trees are projected to provide more than \$7.6 million in environmental benefits.

Celebrate Trees!

Join students from DeMatha High School and staff from Prince George's County Department of Parks and Recreation to clean up Riverside Neighborhood Park, remove invasive vines, and plant trees. A naturalist will lead a nature ramble at 11 am to introduce residents to the unique ecology of old growth forest remnants and to explain how residents can support these important habitats.

Please wear closed toe shoes, long pants, and clothes that can get wet or dirty. Please bring sun protection and a reusable water bottle; light snacks will be provided. PGCP's students can obtain service learning credit at this event.
