RE: Local Purchasing

As you are aware, the Town has experienced some staff turnover in key positions. It is important to ensure that all staff who participate in the Town's procurement process are well-versed in Resolution 2014-R-06 which establishes the preference for Local Purchasing.

Attached to this memorandum is a copy of the adopted resolution. Please review the resolution with respective team members to ensure consistency in its application. Let me know if you have any questions or concerns.

COUNCIL OF THE TOWN OF RIVERDALE PARK, MARYLAND

Resolution towards the Establishment of Local Purchasing Preference Policy

Introduced by: CM Jonathan Ebbeler

Date Introduced: May 5, 2014

Date Adopted: May 5, 2014

Date Effective: May 5, 2014

WHEREAS, the Town of Riverdale Park strives towards continued quality of life improvements and a thriving and inviting economy for small businesses; and

WHEREAS, the goal of a local purchasing preference policy is to take into consideration the multiplier effect of purchasing goods and services from local independent businesses; and

WHEREAS, supporting local independent businesses benefits a municipality's finances by boosting local economic activity, employment, and ultimately tax revenue; and

WHEREAS, dollars spent locally generate additional economic activity even beyond the value of the initial contract as the local supplier in turn sources goods and services locally; and

WHEREAS, Section 622 (d) of Riverdale Park's charter specifies that "Any and all other rules and regulations pertaining to purchasing and contracts, competitive and negotiated bids, bond, penalties, and conditions therefore shall be prescribed by ordinance or resolution by the mayor and council at a regular or special public meeting";

THEREFORE BE IT RESOLVED, that the Mayor and Town Council of Riverdale Park is committed to supporting local businesses and shall include a notice of local purchasing preferences availability to an invitation to bid and in all advertisements issued upon passage of this resolution:
