

RAINSCAPE REBATES

APPLICATION NOTICE

New RainScapes applications are not being accepted at this time. All rebate funds for the current fiscal year have been reserved. Please check back in June 2021 when new funds become available.

As an award-winning sustainable community, Rockville works to eliminate pollution and keep our environment clean and healthy. We offer rebates to encourage everyone in our community to help in our efforts.

Single-family homeowners and nonprofits, including religious institutions, private schools and homeowners associations, can receive up to a lifetime maximum of \$2,500 in rebates through Rockville's RainScapes Rewards program.

The program offers rebates for planting trees and conservation landscaping, installing rain barrels, removing pavement and installing permeable pavers— actions that can reduce flooding, decrease pollution in local streams and help local wildlife.

Conservation Landscaping

Select Language ▼

Beautify your yard with native plants and help pollinators, reduce pollution and improve the environment.

Pavement Removal

Remove pavement to help reduce polluted runoff and protect local streams.

Rain Barrels

Install rain barrels that store and collect rain water from your roof.

Tree Canopy

Plant native trees that can help slow runoff, filter pollutants, provide shade and help local birds and other wildlife.

Permeable Pavers

Replace your existing driveway, patio or other impermeable surface with pavers design to intercept and store rainwater.

Help protect the environment

Consider becoming a volunteer and helping the city keep Rockville clean and sustainable.
